

Srinivas Neeli

I. Profile Summary

- I have been part of PCT since 2014 and worked as volunteer for 2 Years. When I came to PCT as a full-time employee worked for 1 years as Computer Learning Programme Faculty before I shifted my focus towards Career Guidance Counseling. Now I am master trainer for SETHU programme (Career Guidance Programme). Over the last 2 years I have counseled hundreds of high school and college students and also trained several NGO volunteers.
- Working now in the same organization in Project SETHU
- My Passion is to guide high school and college students and I believe information is the motivation.

II. Education

- Graduate B.Tech (ECE) in 2016, Pydah College of Engineering, Kakinada
- Intermediate (+2) in 2012 in Sri Chaitanya junior College, Kakinada
- SSC in 2010 in Dr.D.S Raju APR School, Bhupathipalem

III. Skills Summary

- Good in MS Office application – Word, Excel, PowerPoint.
- Good in Oral, Written, Telephonic and Email Communication Skills
- Languages Known: Telugu and English.
- Documentation and Reporting
- Public Speaking is one of the best assets, I have spoken in front of a few hundred people many times.

IV. Training Programmes

- Public Speaking workshop @ JVV, Vijayanagaram, AP
- “Neuro Linguistic Programme (NLP)” @ Bala Vikasa, Warangal, Telangana

V. Organizational Experience @ Padala Charitable Trust

Designation : Project Manager, SETHU

- Designed a full-fledged Project called Sethu - A bridge for your Career (Career Guidance Programme) which provides career guidance, motivation, Sethu handout, career flow charts and banners to government high school students. The program is designed to be conducted in two phases.
- Played a crucial role to design Sethu handout which tells about 40 plus career options, Govt. jobs, Skill development training programs, and Scholarships.

- Reached more than 8000+ government high school and college students and guided them regarding their Career paths.
- As a Manager for Project Sethu (Career Guidance Program) I have personally guided many government school students get placed in right academic courses according to their aptitude and Interest.
- In collaboration with TATA STRIVE I have played a main role in getting more than 10 rural unemployed youth get placed in various jobs in Tata group of industries.

VI. CO-Curricular and Extra-Curricular Activities

- I have represented Pydah College of Engineering in 2016's JNTU – Kakinada Esparx Programme.
- I have coordinated a Project VIP (Volunteer in Public Service) and involved more than 400 students in social activities.
- Stood as a Junior Champion in East Godavari District secondary schools athletic association in 2010.
- I got the first place in mime and mono action competition conducted by A.P.R.E.I SOCIETY HYDERABAD in 2010.
